MANILA, Philippines — 15 October 2019 — Metro Pacific Investments Corporation ("MPIC") (PSE: MPI), global investment firm KKR, and GIC, Singapore's sovereign wealth fund, announced today the signing of certain definitive agreements under which KKR and an affiliate of GIC ("GIC"), will invest in Metro Pacific Hospital Holdings, Inc ("Metro Pacific Hospitals" or the "Company") through a series of investments in common shares in Metro Pacific Hospitals and in mandatorily exchangeable bonds issued by MPIC. GIC will restructure its current investment in Metro Pacific Hospitals and will re-invest alongside KKR.

As part of MPIC's wider financing arrangements, the KKR-led consortium will also invest in a Php 30.1 billion (US\$ 580.0 million) mandatorily exchangeable bond issued by MPIC. The exchangeable bond shall grant the KKR-led consortium the right to exchange the bond for 239,932,962 common shares in Metro Pacific Hospitals on the sooner of 10 years or an initial public offering, which may be considered after further development of the business. MPIC plans to use the proceeds of this issuance to reduce its bank borrowings.

We also look forward to accessing KKR's various healthcare companies in its global portfolio, to bring over new technologies and processes to improve healthcare services in our country."

Jose Ma. K. Lim, President and CEO of MPIC, said, "After much consideration we believe we have found the best way forward for Metro Pacific Hospitals and MPIC with this new partnership with KKR. I believe the added dimension KKR brings will help transform the delivery of healthcare services in the Philippines."

Ashish Shastry, Co-Head of Asia Pacific Private Equity and Head of Southeast Asia at KKR, said, "Today's announcement is not only about bringing operational value and capital support to this business — it's about supporting the impressive doctors, nurses and healthcare practitioners at Metro Pacific Hospitals who help millions of patients across the Philippines. Metro Pacific Hospitals exemplifies the type of high-caliber company KKR looks to work with, and we are thrilled to play a role in the development of the Philippines' healthcare infrastructure. We thank Mr. Pangilinan for the confidence he has placed in us, and are very excited to begin working with Mr. Palisoc and his world-class team."
